Subject of memo is Josef MUELLER, contact of CANDIOT

MOB informs FOB that "it would be indiscreet from the security viewpoint if ~~SECRET~~ CAPELIN were to try to obtain further information about MUELLER from CANDIOT. The CANDIOT-CAPELIN relationship is such that they can discuss freely most Ukrainian emigre matters without risk of betrayal of CAPELIN's hidden interests. However, for CAPELIN to put to CANDIOT specific questions, no matter how discreetly, in no way related to their mutual interests and with definite intelligence connotations is to run the risk of compromise. At best, CAPELIN's role in such matters should be restricted to the eliciting of information on a purely peripheral basis and making mental notes of anything he hears from CANDIOT."
